Thanks, that's very interesting. Have you seen the comments from Hdqts. On the Status Report. I hear that there are comments, but no one seems to know where they are. The 104(e)s have all been in Lydia's office since Monday. She made a few comments which I took care of Tuesday, and am still waiting for them to be signed.

Can't remember if I sent this to you or not. FYI, either way.
